

HOW TO CANCEL A GAME

“Games that have to be canceled in accordance with Section C, Item 5 – Game Cancellations of the “MAIHA Rules and Regulations Guide” due to weather or rink conditions, do not incur the \$100 rescheduling fee. **Please contact Tom Woolf at 314-631-3998 or email wtwoof@swbell.net to cancel referees on short notice for these types of conditions.**”

From Form B – Rescheduling form.

SECTION C. ADDITIONAL MAIHA - YD RULES

5. GAME CANCELLATIONS

Regular League games may only be canceled for the following reasons:

- a) When rink facilities become unavailable through breakdown of ice-making equipment, power failures, weather (warm weather or rain, in the case of outdoor rinks), etc.
- b) Hazardous driving conditions, as determined by mutual agreement between coaches of the involved teams, or (in case of disagreement), in the opinion of the Commissioner.

Bad weather or cold temperatures per se, are not a valid reason for cancellation of a scheduled game.

- c) Out of town tournaments or exhibition games should ideally be scheduled prior to the establishment of the regular League schedule, so that scheduling can be adjusted to accommodate them.
